

Ride The Wave!
WillCounty.com
takes you there!

What is the Will County InfoNet?

The Will County InfoNet is a full service promotional resource. Our goal is to help all Will County area businesses realize a presence on the World Wide Web.

Memorable web addresses are getting scarce!

When you join the Will County InfoNet, customers can reach you by surfing to WillCounty.com where they'll easily find your listing in the business directory.

\$250 per year
\$50 One-time set up fee

What advantages will I receive from WillCounty.com?

A customized web page on Willcounty.com gives you a competitive advantage that will help increase your visibility in the market.

Your page will feature important information that can include:

- » Your business logo
- » Details describing your business and products
- » Pictures of your business and staff
- » Your mission statement

When you join the Will County InfoNet, our creative professionals can also assist you with the following...

- | | |
|---------------------------------------|--------------------------------------|
| » Logo creation and design | » Signage program |
| » Creating your very own QR scan code | » Brochures and newsletters |
| » Event promotions | » Corporate training films |
| » Television commercial production | » Cable TV airtime |
| » Radio commercial production | » Digital Billboards |
| » Print and media buy | » A web billboard |
| » A featured spot on WillCounty.TV | » "You@Willcounty.com" Email address |

Now with the addition of our new web billboards and WillCounty.TV you get triple the exposure. The potential to grow your business is greatly increased when you become part of our network.
